

Dear Friends,

THANK YOU dearly for your interest in supporting Project iAm as we enthusiastically prepare for our 15th annual edition of Acoustics for Autism this March 6, 2022. We know that the last two years have been difficult for everyone. And more than ever, we need the community's most "feel good" event to happen.

We are proud that this event has grown significantly each year- from a small venue in 2007 to a record-breaking 14,000 person event in 2020. In 2021, we pulled off the impossible by holding the first in-person event in over a year, safely and productively. We were able to still raise nearly 75% of our normal proceeds, thanks to your support. Steadfastly, Project iAm continues to support affected families in our area, as well as those who helped make our charity what it is today. We also have launched our "First Responders" program by distributing ASD friendly kits to our area's Fire, EMS, and Police so they can have supplies on hand when interfacing with an ASD individual.

Why do we bring this up? Because we want you to remember that this organization is fully vested in the community as a whole. We know how fortunate we have been and will always continue to pay it forward. We are happy to announce that our total scholarship distribution for ASD children in our area has reached over \$350,000 since our inception. We have always been committed to our mission, our community, and the kids we aim to help.

Project iAm and its Acoustics for Autism event is still, and will always be 100% volunteer-based. Although we understand the scope of hardships produced by the pandemic, the "need" is still there for our ASD community, perhaps now more than ever. The setback from the shut-down of therapy, classes, and aides affected many families. So long as the world is actively and safely holding events again, we plan on having the biggest Acoustics for Autism to date in celebration of our 15th year. We hope you will continue to support this wonderful event and program.

Yours in Charity and Progress,

A handwritten signature in black ink, appearing to read "Scott", with a stylized flourish at the end.

Scott Hayes
